

Honan Insurance Group is an international insurance and employee benefits services group established in 1964.

Since our establishment we have built our business on our partnerships which enables us to offer a full range of insurance risk and financial solutions. Our capability extends globally through our shared ownership of the Worldwide Broker Network. This enables us to offer our clients a truly integrated global service.

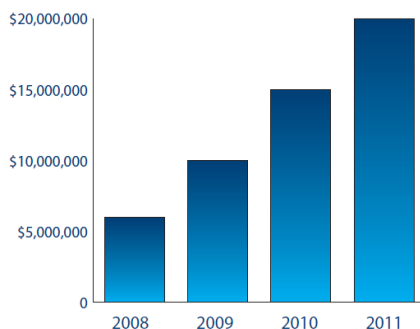

With nearly five decades of service we have earned the reputation for integrity, honesty and professionalism. Through our industry knowledge, technical expertise and global resources we are committed to attaining the best insurance solutions for our clients both locally and globally.

Our Service

The one thing that has not changed since our establishment is our service ethic which is to provide our clients with the highest quality of service - and we do this day in, day out.

We challenge ourselves to achieve the best solutions for our clients, we answer client queries diligently and efficiently and we deliver a solution that will meet your business and personal needs.

We create innovative insurance programs for our clients using our in house experts to design, market and audit the policy placements. We then fine tune the policy wordings to ensure our clients are kept abreast of the latest developments in the insurance marketplace.

Our Claims Management

With a specialist claims department, Honan Insurance Group can offer unparalleled service in the unfortunate event that you experience a claim. It is often not until such an event occurs that the value of the broker is truly shown.

At Honan, we assist clients through the claim process by proactively monitoring the progress of the claim from start to finish.

Our clients can be sure an expert is handling their claim and working towards the best possible outcome.
